

How much does DMEFree software cost?

Wednesday, 30 September 2009 17:42 - Last revised Sunday, 18 October 2009

DMEFree is our standalone Windows based software. Simplier than DMEFreePlus (formerly known as RxDME2000) but more comprehensive than the DMEFreeWeb product.

Price: \$300.00

includes installation and 2 hours support time.

per claim fee as listed on our Prices menu
